

SOURCE OF RESOURCES

In my capacity as legal representative, or, acting on my own behalf, I declare to the FEDERACIÓN NACIONAL DE CAFETEROS DE COLOMBIA as a private entity and as manager of the National Coffee Fund (hereinafter the "Federation") the following:

1. That I or the entity I represent legally own or manage any type of resources, including but not limited to coffee and money, (hereinafter the "Resources") provided to the Federation.
2. That the Resources provided to the Federation have a lawful origin; they do not contain any object related to criminal activities and; they are not involved in the circumstances enshrined in article 16 of Colombia's Law 1708 of 2014.
3. That my income and assets or those of the entity that I represent, do not come from any illegal activity contemplated in the Colombian Criminal Code or in any norm that substitutes, adds or modifies it. Consequently, I declare that my income and assets or those of the entity I represent are linked to the normal development of lawful and permitted activities within my commercial activity or the corporate purpose of the company I represent.
4. That neither I nor the entity that I represent currently or in the past has carried out transactions or operations destined to the realization or financing of illegal activities contemplated in the Colombian Criminal Code or in any norm that substitutes, adds, or modifies it, or in favor of people related to these activities.
5. That during the commercial relationship with the Federation, neither I or the entity I represent will have links with third parties that are known by any means, are linked to money laundering or terrorist financing activities.

In the event that the Federation so requests it, I undertake to present the documentation and/or evidence that proves the origin of the Resources provided to the Federation.
